

Benefit

# Maintain Full Control

Lightning Pay puts you in full control of your parking operation's financial performance. From setting rates to managing taxes and tracking payments, you have complete visibility and authority at every step.

## Set Your Own Pricing

Choose flat rates, tiered models, or dynamic pricing based on demand.

## Own 100% of Your Revenue

You receive net revenue from every session, with no hidden fees.

## Manage Taxes Directly

We coordinate with local authorities to ensure proper compliance and tax pass-throughs.

## Transparent Fee Structure

Simple, predictable pricing ensures you maintain full financial visibility.
