

How Bolt360 Works

Bolt360 makes parking fast, simple, and app-free. In four easy steps, guests enjoy contactless entry, quick mobile payment, and smooth exits — no apps, no machines, no confusion.

Step 1: Enter

Scan the QR code on the entry sign. A text appears — tap send and the gate opens.

Step 2: Park & Pay

Park your vehicle and receive a confirmation text with a link to pay via mobile.

Step 3: End Session

When ready to leave, scan the QR code at the exit gate and tap send again.

Step 4: Exit

Your payment is processed automatically and the gate opens — no delays, no confusion.
