

Signage & Onsite Experience

Clear, intuitive signage is integral to the Bolt360 experience — helping guests navigate entry and payment quickly while reducing confusion, guest support needs, and reliance on hardware or in-lane staff.

Simple QR Code Signs

Guests scan instructional signage at entry and exit — no screens, tickets, or confusion.

Customizable for Each Location

Signage can be tailored to brand standards — including logo, color, layout, and messaging.

Fast Onboarding for First-Time Users

Step-by-step instructions help new guests complete payment quickly and easily.

Reduces Support Needs

Clear guidance minimizes guest confusion and reduces on-site staff interventions or help requests.
