Mobile Payment Technology

Lightning Pay

Contactless, App-Free, QR-Based Payments

Lightning Pay delivers a seamless, mobile-first solution that makes parking faster, simpler, and more cost-effective.

Key Benefits

Maximize Revenue

Monetize underutilized lots without capital expense and unlock new revenue.

Maintain Control

Set flexible rates and retain full visibility into every transaction and payment.

Simplify the Guest Experience

Guests scan and pay instantly with QR codes — no apps, kiosks, or paper tickets.

Gain Insights

Track occupancy and revenue in real time with clear, actionable reporting tools.

Why Choose Lightning Pay?

No costly hardware required

Maintain data and revenue ownership

Custom signage for a branded experience
