

Hospitality Management

From the moment a guest arrives at your property, Propark's bell, door, and concierge teams deliver exceptional, brand-aligned service, setting the tone for a memorable stay.

Valet Services

Professionally trained valet teams deliver prompt and courteous service, maintaining a polished appearance and hospitality-first mindset.

Shuttles & House Cars

Flexible, branded transportation options move guests comfortably and reliably — ideal for airport transfers, off-site attractions, and more.

Bell, Door, & Concierge Services

Integrated, service-first teams deliver professionalism and consistency, creating a five-star experience from curb to check-in.

Electrification (EV Charging)

End-to-end EV solutions that support sustainability goals, enhancing guest satisfaction with accessible charging.

Mobile Payment Technology

No gates, no hardware — just instant monetization. Lightning Pay uses QR code technology to turn underutilized spaces into guest-friendly revenue streams, ideal for surface lots or overflow parking.
