

# Digital Tipping That Elevates Service

A simple, no-cost digital tipping experience that increases employee earning potential – improving retention and driving higher service levels for guests.

## What It Is

Propark offers Digital Tipping through Grazy, allowing guests to tip team members quickly using their phone – with no need for cash or delays during vehicle retrieval.

Digital tipping creates a more seamless guest experience while helping frontline staff earn more through increased tip opportunities..

## Simple, No-Fee Structure

- No setup fees
- No monthly recurring fees
- 100% of tips go to the employee
- Simple implementation with minimal operational lift

## Key Benefits

- Increases tip potential by removing the “cash-only” barrier
- Improves retention by increasing employee earnings and satisfaction
- Drives stronger service levels through a more tenured, engaged team
- Faster, more convenient guest experience with no cash required
