

The Future Careers & Education Tech Newsletter

The bi-weekly ed-tech industry newsletter from KnowMeQ

Issue 17

June 24, 2026

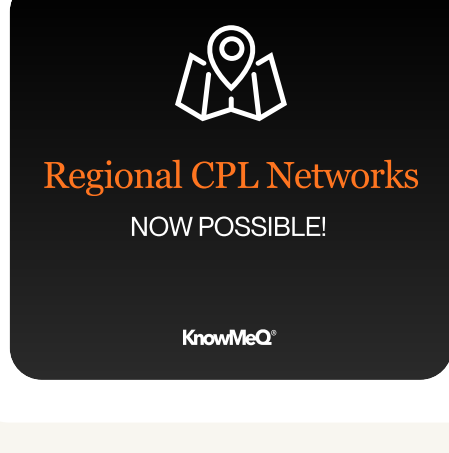

PREVIEW

In this issue, as summer gets underway, institutions, governments, and employers are already looking ahead to the next academic year and the future workforce.

With Workforce Pell on the horizon and growing momentum behind Credit for Prior Learning and learner mobility, the opportunity to rethink recognition, access, and learner pathways has never been greater.

Here's what caught our attention this week.
