

# The Future Careers & Education Tech Newsletter

The bi-weekly ed-tech industry newsletter from KnowMeQ

Issue 16  
June 10, 2026

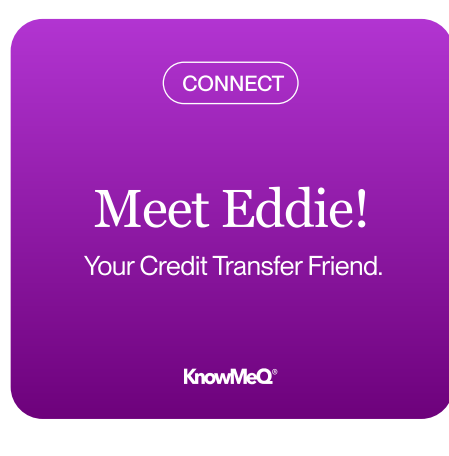

PREVIEW

In this issue, we highlight the role of credit mobility in helping learners move more efficiently between education and work.

We're also pleased to share the completion of the Discovery phase for the Australia-New Zealand Credit Mobility Platform, a collaborative initiative advancing more portable learning and transparent recognition across borders.

Here's what caught our attention this week.
