## About Milestone

**“The company was founded in 1996, and has grown to such an extent that it now serves retailers throughout the African continent.”**

### More about Milestone

Milestone Integrated Systems (Pty) Ltd is the official distributor for many Shrink Management Solutions and other products for your company. Our Head Office is based in Pretoria with branches in Cape Town and Durban. We provide solutions to several Sub Saharan African countries. Milestone has a well established infrastructure with our own self employed technical workforce with no contract workers.

At Milestone we continue to source the latest technologies and up-to-date solutions from all corners of the globe, and strive to always provide the best quality loss control products at the best available price.

YOUR SHRINK MANAGEMENT SOLUTIONS PARTNER

# Products

## Products & services

At Milestone we have a great variety of products and solutions to whatever your shrinkage problem may be. As the leader in Loss Control Management Solutions we can offer the expertise and experience to assist and guide you to solving your specific needs.

## Our products include:

### RFID Solutions

RFID assists with inventory control saving time and money with accuracy as a major benefit. The anti-theft aspect also ensures reduced losses.

### EAS

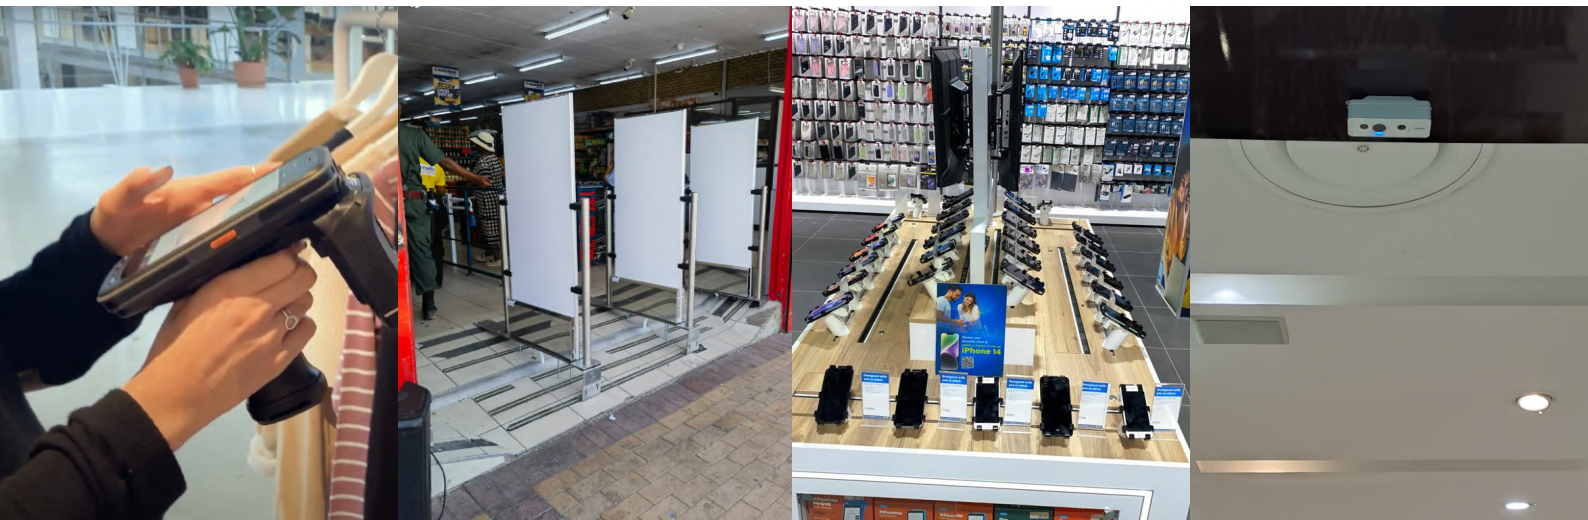

Supplied in both RF, AM and EM. The proven way to protect your merchandise against shoplifting.

### Open Display Security

An innovative loop-protection system designed to allow retailers to keep high value, high theft products on open display. Enhancing your customers shopping experience and increasing sales.

### People Counting

Milestone supplies the latest Video and WiFi combined technology with many benefits to the end-user.
