

Rent Allowances for ICE Nominated Warehousekeepers for the Storage of Robusta Coffee

The following table sets out the Delivery Warehousekeeper Rents per Port - Effective 01 June 2024 to 31 May 2025.

The table also advises the Global Average Rent for the period and details the Rent Allowance Adjustment applicable to each ICE Nominated Warehousekeeper in each Port for an illustrative two-month period from and including the expiry month.

As per Rule GGGG.6 of the Robusta Coffee Futures Contract.

"The Seller's invoicing amount shall be adjusted by a Rent Allowance calculated in accordance with the formula:

Global Average Warehousekeeper Rent minus Delivery Warehousekeeper's Rent multiplied by two (representing two calendar months of rent) such that individual Warehousekeeper Rent, which is more expensive than the Global Average Warehousekeeper Rent, results in a reduction in the invoicing amount, and individual Warehousekeeper Rent which is less expensive than the Global Average Warehousekeeper Rent results in an increase in the invoicing amount."

* Currency conversions have been calculated as of 1st March 2024 based on the 20 day average.
