SPOTLIGHT ON OUR IT TEAM

JOSE VELASQUEZ

Business Process Analyst

Work motto: Faith, Courage and Patience

Best office habit: Greeting colleagues with a fist bump

Favourite part of the job: Learning new things

Guilty pleasure: A bit of friendly banter in the office

SPOTLIGHT ON OUR IT TEAM

As well as keeping our systems running smoothly day to day, our IT Team has developed our proprietary Warehouse Management System, helping deliver

- real-time stock visibility
- end-to-end traceability
- tailored reporting.

Innovative, responsive and always ready with a solution, they quietly keep the company at the forefront of technical innovation.
