Our pizzas are made with Bothwell mozzarella cheese and all of the meat products are processed (prepared, cured, smoked) at Archie's Meat Market in Starbuck Manitoba. We are proud to provide employment to a team of approximately 14 school/university age students who diligently work evenings and weekends to produce our pizzas for you.

If interested in proceeding with the fundraiser, [we need to schedule dates](#). Your order is to be in to us on a Friday. Ten days following (on the Monday), your order will be boxed and ready for you to pickup. Your pizzas can be picked up anytime that week.

You will need to send your order to us in the form of a [spreadsheet](#) so we can box the pizzas and pizza screens according to the sellers. The perogies, pep stix and garlic sausage will be boxed in bulk. You will have to divide these up when you get them.

When selling the pizzas to your family and friends, all money collected must be deposited into your team or fundraising group account. **Payment to Archie's must then be made in full with ONE cheque made payable to Archie's Meats Ltd or with ONE e-transfer to archiesmeats@gmail.com and is payable at the time of pickup/delivery of your order.**

If your fundraiser sells more than 500 pizzas/screens, and you are approximately within an hour driving distance of our store, we will deliver free of charge. Smaller orders will need to be picked up at our store location in Starbuck. We are open Monday through Saturday 9:00 to 6:00 PM. We are closed holidays and Sundays.

Please book your fundraiser early to avoid disappointment. Our busiest season for fundraisers runs from October through to March.
