34. Each of our rights

If one party (you or us) does not use their legal rights or powers or follow these Terms, it does not mean they are giving up those rights or powers, or that they can't use them in the future. Also, if one of us only uses part of their rights or powers, it does not stop that party from using the rest of its rights later or using other rights and powers.

35. Third parties
