### HIGHLIGHTS OF THE MONTH

What does Paris have in store for you in September? Indian summer, of course, but above all a grand return to work with the Maison & Objet trade show at the Paris Nord Villepinte Exhibition Center, as well as nearby the hotel, on Rue Jacob, decorated for the occasion, where you will find the shops of many exhibitors. Don't miss the European Heritage Days on September 20 and 21! A golden opportunity to visit places that are usually closed to the public. Of course, fashion enthusiasts will be attending Fashion Week at the end of the month to discover the latest trends. Finally, on Sunday, enjoy brunch to the sound of jazz on the Le Son de la Terre barge, with a breathtaking view of Notre-Dame Cathedral.
