HIGHLIGHTS OF THE MONTH

What a joy to see the days getting longer. All the more reason to enjoy everything Paris has to offer this March! To celebrate the return of spring, how about an evening of jazz on the Son de la Terre barge? You can also enjoy brunch there on Sundays. Don't miss the classical music concerts at the Church of Saint-Germain-des-Prés and the Sainte-Chapelle: guaranteed moments of pure bliss. Finally, take a stroll through the Latin Quarter, along Rue Monges and Rue Mouffetard, just a stone's throw from the Pantheon and the Arènes de Lutèce, and enjoy a pleasant lunch at Hugo & Co for lovers of world cuisine, or Narro for a refined degustation. Our concierge team will be delighted to help you turn these inspirations into unforgettable Parisian moments.
