## HIGHLIGHTS OF THE MONTH

Let's kick off the season in Paris with the famous Paris Marathon, on April 12! Those of you celebrating Easter can attend Mass at Saint-Sulpice Church or Notre-Dame de Paris. Food lovers will flock to the chocolate shops, which outdo each other in creativity. Now that spring has finally arrived, enjoy a bucolic and colorful stroll through the Luxembourg Gardens or the Jardin des Plantes. For a quiet retreat, head to the gardens of the Albert Khan Museum in Boulogne-Billancourt, just outside Paris. Don't miss the long-awaited reopening of the museums in Giverny dedicated to Impressionism and Monet, as well as the Bayeux Tapestry Museum. What a fabulous lineup this month in Paris!
