Dear PS 20 Families,

Due to the severe winter weather conditions, tomorrow, February 23, 2026, will be a snow day. There will be no school for students.

We hope that you and your family stay safe and warm during the storm. Please take this time to rest and, if possible, enjoy the snow together.

Thank you for your continued partnership and support. We look forward to welcoming our students back to school once conditions are safe.

Stay safe,
Amanda Mezzatesta
Principal, PS 20
