MEMBERSHIP PACKAGES AND BENEFITS

Become a Founding Member

Be among the first to shape a new chapter for racquet sports in the region. As a Founding Member of Jumeirah Racquets, the first offering of its kind in the region, you will enjoy access to a considered programme of play, coaching and experiences across Jumeirah Beach Hotel and Madinat Jumeirah.

In partnership with Tipsarević Luxury Tennis, members benefit from personalised coaching, player development programmes and opportunities to refine their game through a tailored approach suitable for all levels of play.

From exceptional courts to personalised coaching with Tipsarević Luxury Tennis, Jumeirah Racquets brings together a considered programme of play, events and experiences shaped by a shared appreciation for racquet sports.

Across select Jumeirah destinations in Dubai, opportunities to connect, compete and enjoy the game unfold in beautiful surroundings. From friendly match play and tournaments to curated events throughout the year, every experience is designed to foster meaningful connections both on and beyond the court.

Rooted in wellbeing, sport and shared experiences, Jumeirah Racquets offers a distinctive environment for those who value the game and the connections it inspires.

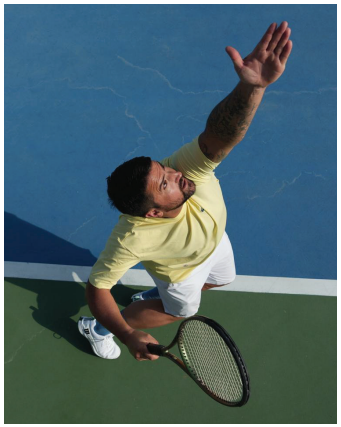

Tipsarević Luxury Tennis

Tipsarević Luxury Tennis brings considered coaching to Jumeirah Racquets for players of all ages and abilities. Each programme combines technical guidance, purposeful movement and individual attention, helping every player develop with confidence and enjoy the game.

Meet Janko Tipsarević

Founded by former world number eight Janko Tipsarević, Tipsarević Luxury Tennis brings world-class professional tennis experience to Jumeirah. A four-time ATP singles title winner and Davis Cup Champion, Janko draws on years competing on the world's most prestigious Grand Slam courts and tournaments to shape the programme's coaching methodology. His expertise informs a considered approach to player development, combining technical precision, discipline and match insight.

Coaching Philosophy

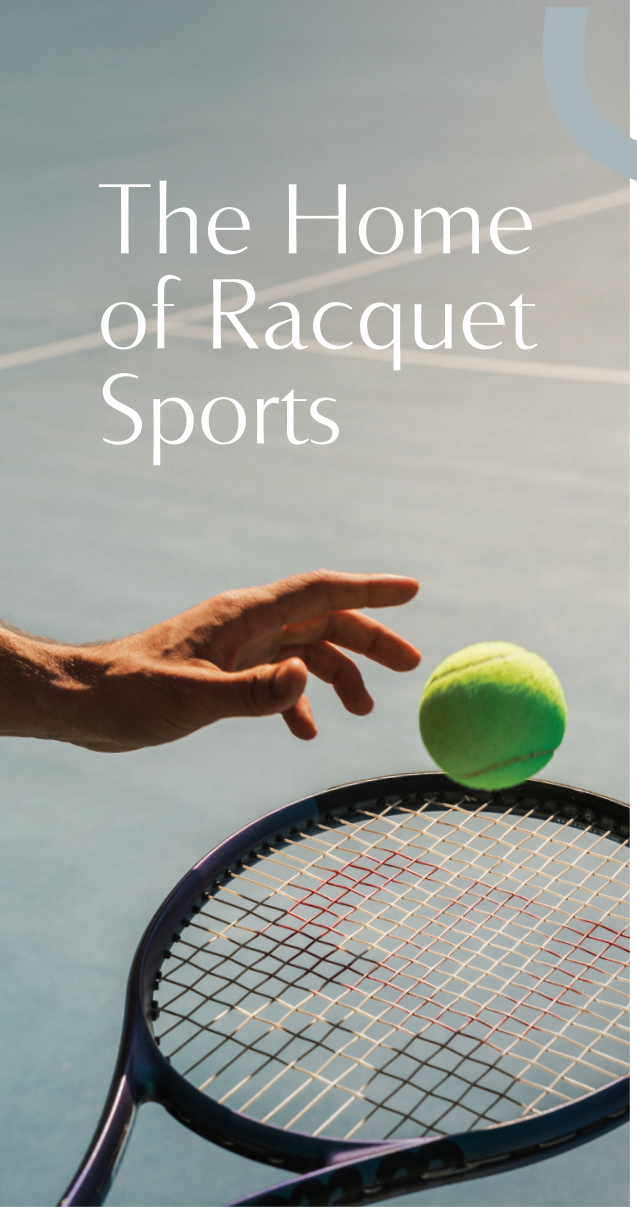

At Tipsarević Luxury Tennis, coaching is shaped around the individual player, drawing on Janko's experience at the highest level of professional tennis. Each session brings together technical development, physical preparation and match awareness through structured coaching and considered feedback. The methodology is designed to help players understand their game, build consistency and develop with purpose.

Junior Tennis Pathway

The Tipsarević Luxury Tennis junior pathway introduces young players to the game through a structured, age-appropriate approach inspired by Janko's professional experience. From first rallies and grassroots development to seasonal camps and match play, sessions combine engaging play with progressive technical coaching, adapted equipment and age-appropriate challenges. Each stage is designed to develop coordination, confidence and strong foundations for a lasting connection with tennis.

The Home of Racquet Sports

From exceptional courts and expert coaching to social matches, fitness facilities and exclusive member privileges, Jumeirah Racquets brings together a considered collection of experiences designed to elevate the way you play, connect and unwind.

Tennis

Set across Jumeirah Beach Hotel and Jumeirah Al Qasr, 10 exceptional outdoor courts provide a distinctive setting for play. Through Jumeirah Racquets and Tipsarević Luxury Tennis, players of all levels can enjoy personalised coaching, social play and competitive programmes, creating opportunities to refine their game while connecting through a shared appreciation for racquet sports.

Padel

Set within the beautiful surroundings of Jumeirah Al Qasr, three padel courts provide a distinctive setting to play, learn and connect. Whether developing your game or enjoying time on court with others, you can take part in coaching programmes, friendly matches and experiences that bring the racquets community together.

Squash

Play across five indoor squash courts at Jumeirah Beach Hotel and Jumeirah Mina Al Salam. Whether developing your technique or enjoying friendly match play, you can take part in coaching and competitive programmes in a comfortable indoor setting throughout the year.

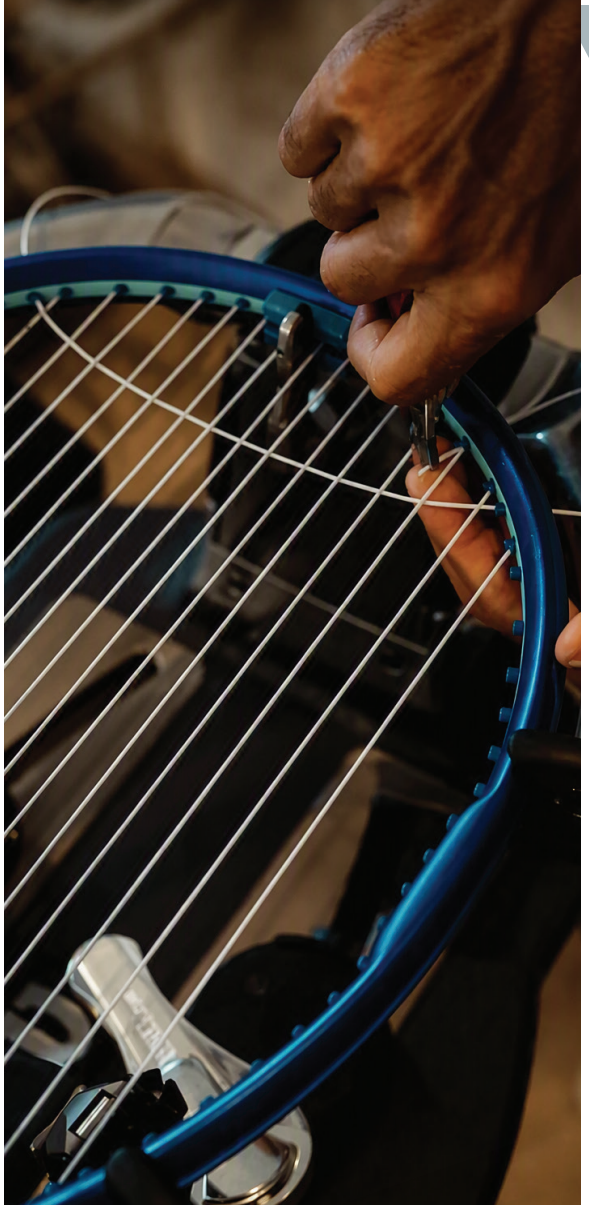

You can also join dedicated squash sessions led by Nikky Harradine, with opportunities to refine your skills, enjoy structured play and connect with others through a shared appreciation for the game.

Our Courts and Services

Jumeirah Racquets spans two locations, offering access to tennis, padel and squash across Jumeirah Beach Hotel and Madinat Jumeirah. At Jumeirah Beach Hotel, six tennis courts and three squash courts provide spaces to play, learn and develop your game, while Madinat Jumeirah is home to four tennis courts, three padel courts and two squash courts.

You can also enjoy access to dedicated pro shops at Jumeirah Beach Hotel and Madinat Jumeirah, offering a curated selection of racquet sports equipment and apparel, alongside professional racquet stringing services. Comfortable changing rooms, shower facilities and courtside amenities provide a convenient setting for practice, coaching and match play.
