NOVEMBER TIMETABLE

Group Class Description at Jumeirah Beach Hotel

Bootcamp

A high-intensity class designed to challenge endurance and strength. Combines functional movement, agility, and cardiovascular training to energise and empower.

LIFT

A strength-based class built around tempo and form. Focused on muscular endurance and core activation with refined technique.

Gear

A rhythm-driven cycling session built around power intervals and athletic flow. Distinct from traditional RPM formats, offering a fresh take on indoor riding.

Zumba

A joyful dance-based workout blending Latin-inspired moves with high-energy music. Boosts cardio, coordination, and mood in a vibrant setting.

Family Yoga

Bring the family together for a joyful yoga session designed to help everyone stretch, move and unwind. Through playful poses, gentle movements and mindful breathing, enjoy quality time together while building balance, flexibility and connection in a relaxed and welcoming setting.

J Condition

J Club's signature circuit class combining strength, cardio, and functional training for a full-body workout that boosts endurance and overall fitness.

Boxfit

A boxing-inspired fitness class combining interval, circuit, and functional training. Builds endurance and teaches fundamental boxing techniques while boosting cardio performance.

J Pump

A barbell-based workout focused on high-rep strength training to tone, build endurance, and leave you feeling energised.

Stick Mobility

A mobility-focused class using resistance sticks to enhance posture, range, and control. Supports deeper movement and structural alignment.

Meditation and Breathwork

Meditation calms the mind, reduces stress, and improves focus. Breathwork enhances relaxation, oxygen flow, and emotional balance. Together, they boost mindfulness, recovery, mental clarity, and overall well-being

Vinyasa Yoga

A dynamic, flowing practice that links breath with movement, Vinyasa Yoga builds strength, flexibility, and focus. Each sequence is fluid and energising, designed to leave you feeling balanced, grounded, and renewed.

Hatha Yoga

A slower-paced, alignment-focused practice that introduces foundational yoga postures with mindful breathing. Ideal for all levels, Hatha Yoga enhances flexibility, posture, and mental clarity.

Ashtanga Yoga

A dynamic sequence rooted in traditional breath-led movement. Builds resilience, flexibility, and inner focus through structured postural flow.

Mat Pilates (50 min)

A 50-minute floor-based workout targeting core strength, posture, and muscular tone. Props such as fitness circles, soft balls, or light weights may be used to deepen the practice. Open to all levels.

Reformer Pilates

A refined, full-body session using the reformer machine to enhance core strength, joint mobility, and posture. Designed to support balance, stability, and overall alignment.

Chair Pilates

A graceful Pilates session using a chair for support and alignment. Enhances posture, flexibility, and mind-body connection in an accessible format.

Glutes & Core

A targeted session designed to strengthen and sculpt the glutes and core. Builds stability, balance, and a refined physique.

Burn

A focused cardiovascular session designed to increase heart rate and burn calories effectively in a time-efficient format.

Cardio
Improve your cardiovascular system and burn calories

Body & Mind
Release stress, improve flexibility and strengthen your core

Shape/Conditioning
Sculpt and strengthen your muscles and change the shape of your body
