

SMS & Text Messaging Disclaimer

Pursuant to company policy, Benton Rural Electric Association (Benton REA) is committed to safeguarding member privacy and protecting member personal information. As part of its communication practices and policy, Benton REA contracts with vendors for the purpose of providing mobile phone messaging communications. Benton REA and contracted vendors do not and will not sell or disclose member mobile phone numbers or other mobile phone information to third parties for marketing purposes.

Your access to, and use of, the SMS communication tools, and text messaging services (collectively, the "SMS") is subject to these Terms and Conditions and all applicable laws and regulations.

SMS provides on-the-go access to important information and services related to your electric account. While there is no direct cost to members imposed by Benton REA to utilize the SMS feature (including text notification deliveries), standard data fees and text messaging rates may apply based on your plan with your mobile phone carrier. As mobile access and text message delivery are subject to your mobile carrier network availability, such access and delivery are not guaranteed.

You may opt out of text delivery at any time by texting STOP to 509-786-2913. For further help on use, text HELP to 509-786-2913.
