SARTORIA[®] est. 2018

2018: Sartoria is created, combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, small sizes, colour and decoration. From these four elements a new chapter within Terratinta Group is born, aiming to create a new style that can be exported all over the world.

Just like the detailed and creative creations of a tailor, Sartoria designs and fulfils distinguished ideas, giving new life to the craftsmanship of the small ceramic size. From white-body walls to gres porcelain tiles, different options designed for small and wide spaces: a unique, contrasting design, a choice between styles, a choice of style.

Dall'esperienza di una storia ceramica recente senza precedenti, nel 2018 nasce Sartoria. Un progetto su misura per chi ama l'interior design, il piccolo formato, il colore e la decorazione. Da questi quattro elementi nasce un nuovo capitolo all'interno di Terratinta Group, con l'obiettivo di creare un nuovo stile esportabile in tutto il mondo. Così come le creazioni di un sarto, meticolose e creative, Sartoria disegna e realizza grandi idee, dando nuova vita all'artigianalità del piccolo formato ceramico. Dal rivestimento in pasta bianca al porcellanato, diverse combinazioni pensate per piccoli e grandi spazi: un design unico, contrastante, una scelta di stili e di stile.

ROMANTIC INSPIRATION

There are materials that have the intrinsic value of recalling a romantic ideal made of sensations and feelings that anchor us to the family values of the past dear to us. The cement tiles bring with them this type of value. We have created a collection that reflects the strength of tradition without renouncing to celebrate a new sense of contemporaneity. A plain surface, with an opaque finish and slightly worn by time, declined in the 15x15 size, 8.5mm thickness, in glazed porcelain stoneware, Decorata comes in three neutral shades with some color accents to give an immediate charm to any space and reach a proportionate and harmonious aesthetic. The twelve different decors that can be used in single-subject or mixed poses create original compositional schemes suitable for use on both walls and floors, indoors and outdoors, allowing professionals and consumers to create their own favorite combination, even in commercial areas such as

boutique hotels, book clubs, wine bar, etc.

A wonderful, romantic product with an ever-present charm capable of characterizing any project.

ISPIRAZIONE ROMANTICA

Ci sono materiali che hanno come valore intrinseco quello di richiamare alla memoria un ideale romantico fatto di sensazioni e sentimenti che ci ancorano ai valori familiari del passato a noi cari.

Le cementine portano con sé questo tipo di valore. Abbiamo creato una collezione che rispecchiasse la forza della tradizione senza rinunciare a celebrare un nuovo senso di contemporaneità. Una superficie neutra, dalla finitura opaca e leggermente vissuta dal tempo, declinata nel formato 15x15, spessore 8,5mm, in gres porcellanato smaltato, Decorata si presenta in tre tonalità neutre con alcuni accenti di colore per dare un fascino immediato a qualsiasi spazio e raggiungere un'estetica proporzionata e armonica. I dodici diversi soggetti utilizzabili in pose a soggetto singolo o mixati, creano originali schemi compositivi adatti per un impiego sia a rivestimento che a pavimento, interno ed esterno, permettendo a professionisti e consumers di creare la propria combinazione preferita, anche in ambiti commerciali come boutique hotels, book clubs, wine bar, ecc.

Un prodotto meraviglioso, romantico, dal fascino sempre attuale capace di caratterizzare ogni progetto.
