

HANDS, HEAD AND HEART: FATTAMANO IS A HANDCRAFTED PRODUCT

The exclusive ceramic products contained in these boxes are handmade and characterized by a slight variation in shade, texture and caliber among different pieces. These unique features lead to an aesthetic harmony that enhances the natural effects of each set of tiles. Any slight surface defects are possible and considered an inherent characteristic of this handmade product. The shades of samples are indicative as they may vary slightly across production lots.
No claims will be accepted once the product has been laid.

MANI, TESTA E CUORE: FATTAMANO E' UN PRODOTTO ARTIGIANALE

I prodotti ceramici contenuti in queste scatole sono il risultato di una produzione artigianale realizzata a mano e si caratterizzano per l'esclusività e le piccole variazioni di tonalità, trama e calibro tra i vari pezzi. Queste caratteristiche uniche creano un'armonia estetica che mette in risalto gli effetti naturali di ogni set di piastrelle. Eventuali lievi imperfezioni superficiali sono da considerarsi parte integrante dell'artigianalità del prodotto. I toni presenti all'interno delle campionature sono da ritenersi indicativi e possono variare leggermente tra una produzione e l'altra.
Non si accetteranno reclami una volta posato il prodotto.
