SARTORIA[®] est. 2018

2018: Sartoria is created, combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, small sizes, colour and decoration. From these four elements a new chapter within Terratinta Group is born, aiming to create a new style that can be exported all over the world.

Just like the detailed and creative creations of a tailor, Sartoria designs and fulfils distinguished ideas, giving new life to the craftsmanship of the small ceramic size. From white-body walls to gres porcelain tiles, different options designed for small and wide spaces: a unique, contrasting design, a choice between styles, a choice of style.

Dall'esperienza di una storia ceramica recente senza precedenti, nel 2018 nasce Sartoria. Un progetto su misura per chi ama l'interior design, il piccolo formato, il colore e la decorazione. Da questi quattro elementi nasce un nuovo capitolo all'interno di Terratinta Group, con l'obiettivo di creare un nuovo stile esportabile in tutto il mondo. Così come le creazioni di un sarto, meticolose e creative, Sartoria disegna e realizza grandi idee, dando nuova vita all'artigianalità del piccolo formato ceramico. Dal rivestimento in pasta bianca al porcellanato, diverse combinazioni pensate per piccoli e grandi spazi: un design unico, contrastante, una scelta di stili e di stile.

Play with art, play with colours.

Fattamano●
HANDMADE BY SARTORIA

With Artigiana we embarked on a path of recovery of traditional techniques that mingle with the innovation made of colour and the concept of a present interior design. Fattamano is the natural continuation of this philosophy. The 7,5x38 size, in the 10 colours of the collection, offers a hand-glazed product in matt and glossy finishes. The color range is completed by the 5 Base shades inspired by industrial design, an essential corollary to the dense shades of the collection. To enrich the Fattamano concept we have created the Duo vase, a handmade product that in its simplicity brings back the charm of cooking in traditional muffles. The listel is the completion of the project that allows to recapture the rounded shapes of the vase and create contrast with the colour geometries in 7,5x38. We carried on our project, always with our hands, head and heart: going back to the origins, like children, with eyes enchanted by the power of art, shapes and colours. Fattamano: play with art, play with colours.

Con Artigiana abbiamo intrapreso un percorso di recupero di tecniche tradizionali che si sposano con l'innovazione del colore e del concetto di un interior design attuale. Fattamano è il prosiegua naturale di questa filosofia. Il formato 7,5x38 nei 10 colori della collezione, offre un prodotto smaltato a mano nelle finiture matt e glossy. Completano la gamma colori le 5 tonalità Base ispirate all'industrial design, corollario essenziale alle tonalità dense della collezione. Ad arricchire il concept Fattamano abbiamo realizzato il vaso Duo, un prodotto artigianale che nella sua semplicità riporta al fascino della cottura nelle muffole tradizionali. Il listello è il compimento del progetto che permette di riprendere le forme tondeggianti del vaso e creare contrasto con le geometrie dei colori in 7,5x38. Abbiamo portato avanti la nostra opera, sempre con le nostri mani, la testa e il cuore: tornando alle origini, come i bambini, con gli occhi illuminati dalla potenza dell'arte, delle forme e dei colori. Fattamano: gioca con l'arte, gioca con i colori.
