LOLLY BASRISTA
Coffee Management Screens For Catering

About The Product

The Lolly Barista is an easy-to-use, highly intuitive barista screen that is paving the way for small and large businesses. The Lolly Barista is especially popular amongst coffee shops, takeaways, and other grab & go catering establishments. Like all Lolly products, the Lolly Barista offers complete integration with Lolly's Self-Serve, EPoS devices, and App. This software helps cut wait times to improve customer experience.

Wake up and smell the coffee, it's time to elevate your business' order management with the Lolly Barista. See the benefits this tech can provide for your staff and customers. These screens can prevent kitchen overload and lost orders, as well as assist in better managing requests.

- **Displays** all information via a simple user-friendly interface.
- **Replaces** traditional printer & paper ticket systems.
- **Integrates** with an unlimited number of touchscreens.
- **Provides** continuous software updates for optimum functionality.
- **Offers** full technical support ensuring uninterrupted operation.

Move Forward with Lolly

Lolly's innovative solutions have helped contract caterers and independent businesses across all sectors to be more efficient, more agile, and more profitable.
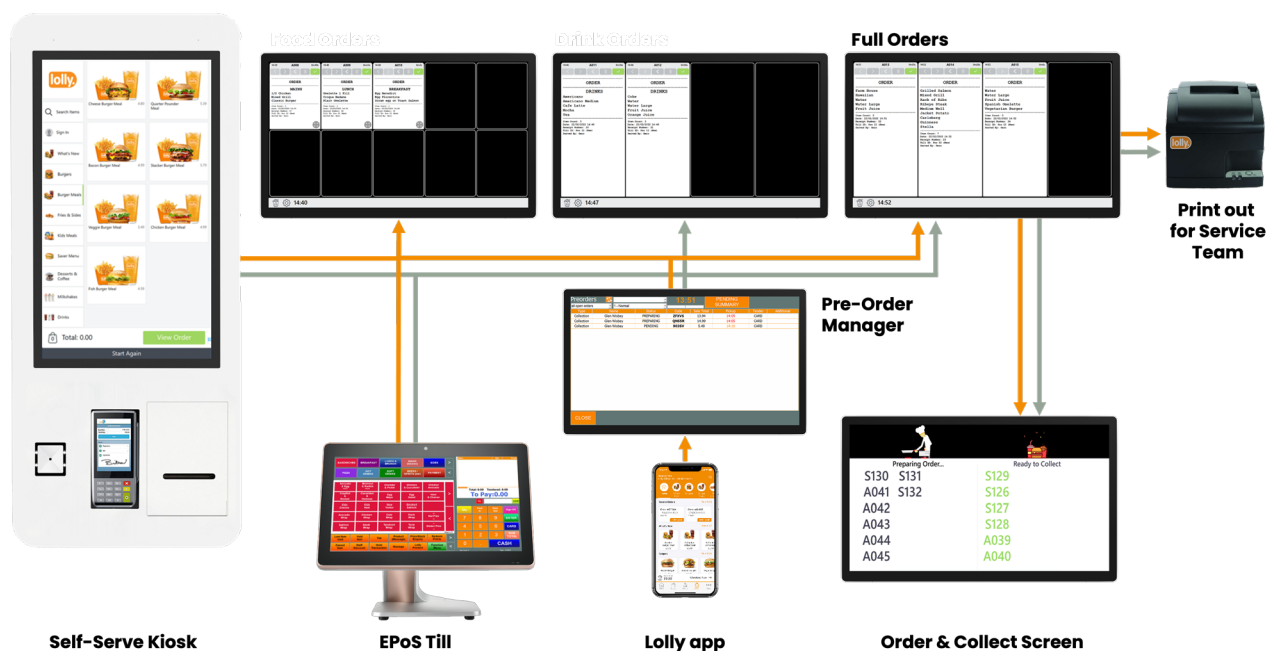

Key Software Features

- Track orders through each stage of the dining process.
- Inform kitchen staff in real-time on customer orders.
- Allergen information to keep customers safe.
- All orders made via PoS & Self-Serve go to the screen.
- Order & Collect screens update upon completion.
- Order progress notifications go to App customers.
- Track waste management to increase efficiency.
- Manage inventory to control stock costs.

1. Setup Assistance: We provide installation planning services for Kitchen Management systems to ensure your system meets your precise needs.

2. Complete Integration: We configure our existing software to interact with our range of Kitchen Management systems, providing maximum control over your order processes.

3. Technical Support: Kitchen Management technical support hours: Weekdays (07.00 to 17.30). Emergency support hours: Weekdays (17.30 to 22.00), Weekends/Bank Holidays (7.00 to 22.00).
