You're going to **Love** what **Lolly** can do.

lolly.

LOLLYTOUGH-TAB
Touch Screen EPOS System

About The Product

The Lolly Toughtab is an intuitive digital tablet with a focus on customer experience. Its small, mobile design provides an effective approach to bringing the whole experience directly to the customer, be it taking customer orders and collecting payments etc. The Lolly Toughtab is an essential business companion, designed to enhance staff efficiency and maximise customer experience in any setting.

Make your business tough to beat by bringing the Lolly Toughtab into your workspace and see the results it can provide for your customers and staff. Moreover, the Lolly Toughtab comes equipped with a strong exterior case and strap that provides durability and support on the go.

- **Lightweight** device with intuitive user interface.
- **All-in-one** ordering and payment technology.
- **High-speed** processors ensuring swift transactions.
- **Continuous** software updates delivering enhanced functionality.
- **Full** technical support providing uninterrupted operation.

Move Forward with Lolly

Lolly's innovative solutions have helped contract caterers and independent businesses across all sectors to be more efficient, more agile, and more profitable.

Key Software Features

- Table Management to easily control covers.
- Interval Ordering for Events.
- Customer Loyalty, Stamps, and Rewards Packages.
- Promotions & Bursary options.
- Nutritional, Allergen, & Co2 Data.
- Payment versatility: Cards and Apple/Google Pay.

1. Setup Assistance: Our Mobile PoS devices are designed to operate seamlessly with minimal configuration, but if you have any issues, our support team is here to assist.

2. Complete Integration: Our Mobile PoS systems seamlessly integrate with our range of products, such as Kitchen Management and Mobile App.

3. Technical Support: EPoS technical support hours: Weekdays (07.00 to 17.30). Emergency support hours: Weekdays (17.30 to 22.00), Weekends/Bank Holidays (7.00 to 22.00).

Innovative Solutions That Work Together

Each of our products connects to Lolly HQ - our cloud-based management information system - for seamless integration, monitoring and reporting across your whole business, all in one place.
