LOLLYPROSERVE

Intuitive Self-Serve Technology

About The Product

The Lolly Proserve is a floor mounted, cutting-edge self-serve solution that utilises personalisation features to enhance customer experience, while maximising efficiency across the hospitality sector. The Lolly Proserve gives both small and large catering establishments an essential addition to their setup, allowing customers to fully customise their orders, pay using the built-in contactless payment terminal, take their receipt, and collect their order.

Discover the pros of upgrading your business with the Lolly Proserve. Our self-serve kiosks provide unmatched customer experiences, with perks such as independent ordering, checkout, and in-store collection, all of which promote a smoother, more effective catering environment.

- **Intuitive** software with user-friendly touch screen interface.
- **Viewable** customer activity and order history upon customer login.
- **Available** loyalty point collection when scanning the Lolly App.
- **Detailed** nutritional and allergen information for all orders.
- **Accepts** multiple fast payment options, i.e., card, cryptocurrency, etc.
