PLATFORM SERVICES AGREEMENT

This Platform Services Agreement (“PSA”) governs the provision of Platform Services by Croft to Customer. Croft and Customer hereby agree as follows:

1. Provision of Services.

- a. By accepting this Agreement, Croft grants to Customer a limited, non-exclusive, terminable, non-transferable right to access and use the software-as-a-service platform (the “Platform Services”) solely for the internal business purposes of Customer, subject at all times to this Agreement, including the scope of use and any individual modules or services which may be set out in one or more applicable order forms or service order documents (“Order Form”).
- b. The Platform Services are provided by Croft and made available to Customer by Croft setting up one or more accounts to access the Platform Services (each, an “Account”). Upon accepting this Agreement, Croft will set up an administrative Account for Customer to enable Customer to set up additional Accounts directly within the Platform Services.
- c. Customer is responsible for providing access to the Platform Services to its employees, consultants, contractors, and agents (a) who are authorized by Customer to access and use the Platform Services for the benefit of Customer pursuant to this Agreement and (b) for whom access to the Platform Services has been purchased hereunder (“Authorized Users”). Each Authorized User shall, as a condition to use of the Platform Services, assent and agree to the EULA by accepting the EULA upon initial log-in. AUTHORIZED USERS SHALL BE RESPONSIBLE FOR ALL OF ITS ACTIVITIES OCCURRING UPON OR THROUGH ANY ACCOUNTS, INCLUDING UNAUTHORIZED ACTIVITIES AND AUTHORIZED USERS’ USE AND PROCESSING OF ANY PERSONAL INFORMATION, AND AN AUTHORIZED USER SHALL BE RESPONSIBLE FOR ANY BREACH OF THIS AGREEMENT BY SUCH AUTHORIZED USERS.
- d. Customer may authorize third parties to assist Customer in the use of the Platform Services, provided that: (a) such activities are within the scope of the activities Customer is itself authorized to perform under this PSA, and (b) such third party’s acts are primarily for the direct or indirect benefit of Customer. Subscriber is prohibited from using the

Platform Services as an application software provider, or in any timesharing, service bureau, or other commercial arrangement of any kind that makes the Platform Services available to third parties primarily for the third party's own uses. Except as expressly provided in this Agreement, no third party has any rights under this Agreement. Customer is liable for any use of the Platform Services by third parties using Customer's Account.

- e. Customer shall not use the Platform Services beyond the scope of the rights granted in this Agreement. Customer shall not (a) directly or indirectly alter, modify, adapt, translate, copy, distribute, reverse engineer, decompile, disassemble, or create any derivative works of the Platform Services, (b) rent, lease, lend, sell, license, sublicense, publish, adapt, or otherwise make available the Platform Services to any third parties, (c) remove, modify or obscure any copyright, trademark or other proprietary rights notices that are contained in the Platform Services, (d) use the Platform Services in any manner or for any purpose that infringes, misappropriates, or otherwise violates any intellectual property right or other right of any person, or that violates any applicable law, or (e) access the Platform Services in order to build (or permit any third party to build) a similar service or competitive product or service. Customer shall be responsible for obtaining and purchasing all equipment, Internet access services, modifying its network, and doing all other things necessary in order to access and use the Platform Services. Customer shall use reasonable efforts to prevent unauthorized access to or use of the Platform Services, including any personal information, and shall promptly notify us in the event of any unauthorized access or use. Customer shall comply, and shall ensure that Customer's Authorized Users comply, with all applicable local, state, federal, and foreign laws, treaties, and regulations applicable to Customer's use of the Platform Services, including without limitation those related to export control, privacy, electronic communications, and anti-spam legislation.

2. Intellectual Property Rights.

- a. As between Croft and Customer, Croft owns all Intellectual Property Rights (as that term is defined below) in and to the Platform Services, including all such rights in any software and documentation provided as part of or in connection therewith. Customer shall preserve intact all applicable Croft copyright, patent and/or trademark notices presented in connection with the Platform Services. Croft reserves all Intellectual Property Rights that are not expressly granted to Customer under this Agreement, and Customer will not assert any implied rights in or to any of Croft's Intellectual Property Rights. All Intellectual Property Rights to improvements and enhancements to the Platform Services shall vest in Croft. If Customer has been involved in the development process by contributing in any manner, including but not limited to, input, ideas or feedback on any improvement and/or enhancement, any right Customer may have due to such involvement is hereby irrevocably transferred to Croft.
- b. As used herein, "Intellectual Property Rights" means all inventions, patents, copyrights, trade secrets, trade names, know-how, intellectual property, software, shop rights, moral rights, licenses, developments, research data, designs, processes, formulas, and other intangible proprietary or property rights, whether or not patentable (or otherwise subject to legally enforceable restrictions or protections against unauthorized third party usage), and any and all applications for, and extensions, divisions, and reissues of, any of the foregoing, and rights therein, and whether arising by statute or common law.

3. Customer Content.

- a. Customer acknowledges that its use of the Platform Services may require the processing and transmission of documents, content, data and/or other materials created by Customer, or submitted by or on behalf of Customer and Authorized Users (collectively, "Customer Content"). As between Croft and Customer, Customer owns all Intellectual Property Rights in and to the Customer Content.
- b. Customer grants Croft and its subcontractors a worldwide right and license to access, use, host, reproduce, modify, distribute, display, create derivative works from and disclose Customer Content in order to provide the Platform Services. Croft and its licensors also have the right to retain and use Customer Content, including in combination with other information in one or more data sets, in a manner that does not reveal the identity or the source of such information, and Croft and its licensors will be free (during and after the Term of this Agreement) to use such Customer Content for purposes of product or service development and improvement, for analytical purposes, and to make general public statements regarding industry trends and/or the efficacy of Croft's products and services. Customer shall at all times be responsible to ensure that the Customer Content remains in compliance with applicable law, and shall ensure that industry standard cyber security measures are in place to keep the Customer Content free from malicious code, viruses, Trojan horses and other software or code that could cause damages to the Platform Services. Customer acknowledges that Customer Content and information regarding its accounts will be processed by us and stored and processed using online hosting services selected by us.
- c. Croft will process Customer Content in accordance with this Agreement and Customer's written instructions. Croft will have in place and will maintain during the Term, technical and organizational measures designed to protect

against accidental or unauthorized destruction, loss, alteration or disclosure of Customer Content. Notwithstanding the generality of the foregoing, Customer acknowledges that no such measures are entirely secure and that Croft does not make any warranties as to the security of the Platform Services or with respect to Customer Content. In no event shall Croft be responsible for any electronic communications and/or Customer Content which are delayed, lost, altered or intercepted during transmission by means of third party networks (other than third parties providing computing or storage services under the Agreement on our behalf).

4. Fees and Invoicing.

- a. Customer agrees to pay the Fee(s) in the amounts and on the schedule set forth on any applicable Order Form(s), whether such Order Form(s) has been executed directly with Croft or via a Croft-authorized reseller, or if pursuant to a "Buy Now" purchase within the Croft Platform, Customer agrees to pay the Fees listed therein for such purchase. Unless otherwise set forth on an applicable Order Form, all subscription Fees for any Platform Services shall be invoiced monthly.
- b. All Fees are due fifteen (15) days from the date of invoice, and payments more than thirty (30) days overdue are subject to interest at Croft's discretion of 1.5% per month or the highest rate permitted by law, whichever is less, calculated daily and compounded monthly. In addition to the Fees set forth on the Order Form(s), Customer shall reimburse Croft for all reasonable travel and out-of-pocket expenses incurred by Croft in connection with the performance of the Platform Services.
- c. If Customer requires specific purchase order information on the invoice ("Order Information") from Croft, it is the Customer's responsibility to provide all Order Information to Croft. Such Order Information shall be delivered to Croft at (i) the start date of the first payment period, or (ii) at the latest ten (10) days prior to the start of the payment period for the following invoices. Customer acknowledges that delays in providing the Order Information will reduce the payment term accordingly.
- d. The Fee does not include any excise, sales, use, value added or other taxes, tariffs or duties ("Taxes") that may be applicable to the Platform Services. When Croft has the legal obligation to collect such Taxes the amounts due will be invoiced to Customer and Customer will pay such amount unless Customer provides Croft with a valid tax exemption certificate authorized by the appropriate taxing authority. Customer shall otherwise be responsible for all Taxes imposed by any federal, state, or local governmental entity on any amounts payable hereunder; provided, that, in no event shall Customer pay or be responsible for any taxes imposed on, or regarding, Croft's net income.
- e. No refunds or credits will be made if Customer does not use part of the Platform Services or wishes to stop using a part of the Platform Services during the Term.

5. Support and Service Levels.

- a. Croft will use commercially reasonable efforts to make the Platform Services available 24 x 7, excluding service interruptions for scheduled maintenance, or a general internet outage.
- b. Croft will provide Customer access to standard support services, via phone and/or email, as may be further set forth in an applicable Order Form or such other order equivalent associated with a "Buy Now" purchase as may be provided by Croft.
- c. If Customer has acquired the Platform Services via any Croft reseller, then first line support will be provided by the Croft reseller. Should the reseller require any assistance, Croft will provide such assistance as necessary.
- d. In any event, Croft is responsible for managing service interruptions that are within its control. Customer will notify of a service interruption and upon notification, Croft will use commercially reasonable efforts to resolve the service interruption within the target turnaround time indicated for its priority level, as set forth below. During any resolution period, Croft will endeavor to provide reasonable periodic status reports regarding service interruption resolution.

A service interruption will be categorized and responded to accordingly:

Priority	Description	Target Response Time
High	Used for service interruptions, within our control, where Customer's production use of the Platform Services is severely impaired or degraded	4 hours or less

	preventing major functions from being performed. Target resolution time on such service interruption resolution is one (1) business day.	
Medium	Used for service interruptions, within our control, where Customer's production use of an important (but not critical or essential) function of the Platform Services is disabled or impaired. Target resolution time on such service interruption resolution is three (3) business days.	8 hours or less
Low	Used for all other service interruptions, within our control. Indicates that the service interruption causes minor adverse impact to Customer's use of the Platform Services. Target resolution time on such service interruption resolution is reasonably determined in accordance with the nature of the service interruption.	24 hours or less

6. Confidentiality.

From time to time during the Term, either party (as "Disclosing Party") may disclose or make available to the other party (as "Receiving Party"), non-public, proprietary, and confidential information (whether written, oral, or electronic) of Disclosing Party that may or may not be identified as "confidential," ("Confidential Information"). Confidential Information does not include any information that: (a) is or becomes generally available to the public other than as a result of Receiving Party's breach of this Section; (b) is or becomes available to the Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information; (c) was in Receiving Party's possession on a non-confidential basis prior to Disclosing Party's disclosure hereunder; or (d) was or is independently developed by Receiving Party without using any Confidential Information. The Receiving Party shall: (x) protect and safeguard the confidentiality of the Disclosing Party's Confidential Information with at least the same degree of care as the Receiving Party would protect its own Confidential Information, but in no event with less than a commercially reasonable degree of care; (y) not use the Disclosing Party's Confidential Information, or permit it to be accessed or used, for any purpose other than to exercise its rights or perform its obligations under this Agreement; and (z) not disclose any such Confidential Information to any person or entity, except to Receiving Party's personnel or agents who need to know the Confidential Information to assist Receiving Party in performing its obligations under this Agreement, and who are bound by confidentiality obligations consistent with this Section as to such Confidential Information. If the Receiving Party is required by applicable law or legal process to disclose any Confidential Information, it shall, prior to making such disclosure, use commercially reasonable efforts to notify Disclosing Party of such requirements reasonably in advance of any such compelled disclosure, so as to afford Disclosing Party the opportunity to seek, at its sole cost and expense, a protective order or other remedy.

7. Term and Termination.

- a. This PSA shall commence as of the Effective Date and shall continue for as long as any applicable Order Forms, or such other order equivalents associated with a "Buy Now" purchase, are then in effect (the "Term"). The term of each Order Form or order equivalent associated with a "Buy Now" purchase will be stated in the applicable Order Form or order equivalent; provided, however, that this PSA shall remain in effect for a period of not less than one (1) year from the Effective Date unless earlier terminated as provided herein below. All Order Forms, and order equivalents associated with a "Buy Now" purchase, will automatically renew at the then existing pricing and for an equivalent renewal term unless either party provides to the other party written notice no later than thirty (30) days prior to the then-current scheduled expiration of the then-current Term of that party's intention that this Agreement not be renewed or that it be renewed on different terms.
- b. Either party may terminate this Agreement if the other party is in material breach of its undertakings under this PSA and the other party fails to remedy such breach within a period of thirty (30) days from receipt of written notice requiring such remedy, except that in the event of unlawful conduct, fraud, or material misrepresentation by either party, the other party will be entitled to terminate this PSA immediately. Either party may terminate this PSA immediately by providing written notice to the other party if the other party becomes insolvent, if a petition in voluntary or involuntary bankruptcy is filed by or against the other party under any chapter of the United States bankruptcy laws and not bonded or discharged within thirty (30) days of the date a receiver or trustee is appointed or if the other party makes an assignment for the benefit of creditors.
- c. Notwithstanding anything to the contrary in this section, Croft may terminate this PSA before the expiration date of the Term on written notice if Customer fails to pay any amount when due hereunder and such failure continues for ten (10) days after our notice to you of nonpayment.
- d. Upon termination or expiration of this Agreement, all rights granted Customer to access and use the Platform

Services will likewise terminate. Each party shall also: promptly return to the other party, or certify the destruction of (a) all Confidential Information; and, (b) any other data, programs, and materials delivered by a party for purposes of performing this PSA. Any term or provision that, in order to give proper effect to its intent, should survive the expiration or termination of this Agreement, will survive such expiration or termination.

8. Suspension.

In addition to any other rights or remedies available hereunder, Croft may suspend the Platform Services for as long as Customer is in material breach of any provision of this PSA (including nonpayment of the subscription Fees) and such breach has not been cured within 14 days' written notice to Customer. Prior notice of suspension will not be required if Croft determines, in its reasonable discretion, that suspension is necessary to protect Croft or its other subscribers from operational, security, or other material risk, or if the suspension is ordered by a court or other tribunal. In the event of suspension due to Customer's breach, Customer will remain liable for portions of the subscription Fees that would have been paid had the Platform Services not been suspended.

9. Warranties and Disclaimer.

- a. Each party represents and warrants to the other party that it is a business organization duly organized, validly existing and in good standing under the laws of the jurisdiction of its formation, has all requisite power and authority to carry on its business and to own and operate its properties and assets.
- b. Croft warrants that it will provide the Platform Services with commercially reasonable care and skill and that the Platform Services will comply with any relevant documentation pertaining to the same which is published by Croft.
- c. **To the maximum extent permitted by applicable law and except as expressly provided herein above, the Platform Services are provided "as is" and "as available", with all faults and without warranty of any kind. Except as expressly provided herein above, Croft makes no warranties or representations to Customer with respect to the Platform Services or otherwise in connection with this Agreement, whether oral or written, express, implied or statutory. Without limiting the foregoing, any implied warranty or condition of merchantability, non-infringement, and/or fitness for a particular purpose, are expressly excluded and disclaimed.**

10. Indemnification.

- a. Croft will defend Customer from and against any and all third party claims and will pay any costs, losses or damages that may be finally awarded against Customer (including reasonable attorneys' fees) to the extent arising out of any claimed infringement or misappropriation by the Platform Services of any third party Intellectual Property Rights; provided that (i) Customer notifies Croft in writing within thirty (30) calendar days of its receipt of written notice of the claim, (ii) Croft has sole control of the defense and settlement of the claim, and (iii) Customer provides Croft with all reasonable assistance, information, and authority necessary to perform Croft's obligations under this paragraph.
- b. Notwithstanding the foregoing, Croft will have no liability for any claim of infringement or misappropriation: (i) that is based on the combination, operation, or use of the Platform Services with materials (e.g., software, hardware or content) or services not furnished by Croft; or (ii) that is based on any modification of the Platform Services by Customer, by any third party, or by Croft at Customer's direction. In the event the Platform Services is held or is believed by Croft to infringe or misappropriate any Intellectual Property right of a third party, Croft will have the option, at its expense, to (w) replace the Platform Services with a non-infringing equivalent, (x) modify the Platform Services to be non-infringing, (y) obtain for Customer a license to continue using the Platform Services, or (z) refund the fees paid by Customer for the infringing portion of the Platform Services during the three (3) month period immediately preceding the refund and if 3 months has not yet lapsed, an amount equivalent of 3 months fees as of the date of the refund, and require that Customer discontinue its use. The foregoing remedies constitute Customer's sole and exclusive remedies and Croft's entire liability with respect to infringement of Intellectual Property Rights.
- c. Customer will defend and indemnify Croft and its directors, officers, employees, and agents, from and against any and all claims, losses, damages, and expenses (including reasonable attorneys' fees) arising out of or relating to: (i) Customer Content; (ii) Customer's breach of this Agreement or breach of this Agreement by Customer's Authorized Users, employees or agents; (iii) Customer's gross negligence, willful misconduct, violations of law, or fraud or by its Authorized Users, employees, or agents; or (iv) any dispute or other proceeding (including, without limitation, response to any third-party subpoena, but excluding any dispute between Customer and Croft) in which we become involved (even if only as a non-party or third-party participant) as a result of Customer's use of the Platform Services, including reimbursement of our time and expense (including reasonable external and internal legal costs)

incurred to respond to any request or participate in any proceedings. In (iv) above, Customer agrees to pay us the hourly rates of our professionals for time spent preparing for and participating in responding to and participating in subpoenas, depositions, other discovery, litigation, hearings and dispute resolution proceedings in whatever form they may take.

11. Limitation of Liability.

Croft (defined for purposes of this Section as Croft's parent, affiliates, subsidiaries and their respective officers, directors and employees) shall not be liable to Customer or any third party for any indirect, incidental, special, consequential, punitive, or exemplary damages arising out of or related to this PSA under any legal theory, including but not limited to lost profits, business interruption or infringement, or cost of substitute software, whether incurred by Customer internally or in connection with any third party. Except with respect to intellectual property indemnification obligation under this PSA, Croft's aggregate liability to Customer shall not exceed the amount of the subscription Fees paid by Customer for use of the Platform Services under this Agreement during the six (6) month period immediately preceding the claim giving rise to such liability. The limitation provisions of this Section shall be applicable to any claim filed by Customer arising out of or relating to any separately licensed software that may be used with the Platform Services. Customer must, in order to preserve its right to compensation, give notice of any claim within three (3) months from when Customer became aware of the basis for the claim.

12. General Provisions.

- a. Governing Law; Venue. This PSA and all matters arising out of or relating hereto, is governed, construed and enforced in accordance with the laws of the State of Indiana, without giving effect to any principles of conflicts of laws. Jurisdiction and venue for all actions arising under this PSA shall be in the federal and state courts located in Marion County, Indiana, and each party hereby irrevocably and unconditionally consents to the exclusive jurisdiction of such courts. The United Nations Convention on Contracts for the International Sale of Goods shall not be applicable to this PSA. The parties have required that this Agreement and all documents related to this Agreement be drawn up in English. As to any ambiguities resulting from translation from English to any other language, provisions in the English language shall be controlling in all respects.
- b. Export Laws. Without limiting any obligations otherwise set forth in this PSA, each party will comply with the export laws and regulations of the United States and other applicable jurisdictions in providing and using the Platform Services.
- c. Force Majeure. Neither party will be responsible for delays or failures in performance resulting from acts of God, acts of civil or military authority, fire, flood, strikes, war, epidemics, pandemics, shortage of power, telecommunications or Internet service interruptions or other acts or causes reasonably beyond the control of that party. The party experiencing the force majeure event agrees to give the other party notice promptly following the occurrence of a force majeure event, and to use diligent efforts to re-commence performance as promptly as commercially practicable. In the event any failure to perform because of a force majeure event remains uncured for a period of fourteen (14) days, the other party may terminate this Agreement, without liability, by providing written notice to the other party.
- d. Relationship of the Parties. The parties are independent contractors. Nothing herein will be construed as authority for either party to act for the other party in any agency or other capacity, or to make commitments of any kind for the account of or on behalf of the other. Nothing in this Agreement will be deemed to constitute a joint venture or partnership between the parties.
- e. Notice. Each party shall deliver all communications in writing either in person, by certified mail, return receipt requested and postage prepaid, by facsimile or email (with confirmation of transmission), or by recognized overnight courier service, and addressed to the other party at the addresses in an applicable Order Form (or to such other address that the receiving party may designate from time to time in accordance with this Section).
- f. Assignment. Customer may not assign this Agreement. Croft may assign this PSA to a successor (whether by merger, a sale of all or a significant portion of its assets, a sale of a controlling interest of its capital stock, or otherwise). Croft may, without consent of Customer, transfer the right to receive payment in accordance with this PSA.
- g. Publicity. Croft may use and display Customer's name and logo on its website and in its marketing materials in connection with a list maintained by Croft designating Customer as a user of the Platform Services.
- h. Waiver; Severability. The failure of either party to exercise any right or the waiver by either party of any breach,

shall not prevent a subsequent exercise of such right or be deemed a waiver of any subsequent breach of the same of any other provision of this PSA. All waivers must be in writing, and signed by the party waiving its rights. If any court of competent jurisdiction finds any portion of any provision of this PSA to be unenforceable or contrary to applicable law, the parties agree that the provision will be deemed modified to the least extent necessary to make it enforceable, and all other provisions of this Agreement will remain unaffected.

- i. Order of Precedence. If there is a conflict or ambiguity between any terms of this PSA and the terms of any Order Form, the terms of this PSA shall control.
- j. Modifications. Croft may revise this PSA from time to time in order to reflect changes in any offered services, changes in the law, or for other reasons as deemed necessary by Croft. The effective date of this PSA will be reflected in the “Last Revised” entry at the top. Your continued use of the Platform Services after any such change shall constitute your consent to such change.
- k. Entire Agreement. This PSA constitutes the entire agreement between the parties with respect to its subject matter, and supersedes all other agreements, proposals, negotiations, representations or communications relating to the subject matter. Both parties acknowledge that they have not been induced to enter this Agreement by any representations or promises not specifically stated herein
- l. Third-Party Optional Services; No Employment Relationship; Regulatory Compliance.
 - i. From time to time, Croft may make available to Customers, Authorized Users, or Workers (collectively, “Users”) optional third-party products or services, including payroll cards or other third-party offerings (“Optional Services”). Optional Services are offered solely at the discretion of the User and are not required for access to employment, onboarding, or use of the Platform Services. Customer agrees it will not condition hiring, continued employment, or receipt of wages on any Worker’s or H-2A Worker’s use of Optional Services, and for payroll cards will provide at least one alternative method of wage payment that complies with applicable law.
 - ii. Nothing in this Agreement is intended to, and shall not be construed to, create any employment, joint-employer, labor contractor, recruiter, or agency relationship between Croft and any Worker or H-2A Worker, and Croft has no authority to hire, fire, discipline, supervise, or set the wages or working conditions of any Worker or H-2A Worker.
 - iii. Nothing in this Agreement authorizes any party to charge, collect, or receive any fee or cost from Workers or H-2A Workers that is prohibited under applicable H-2A or wage-and-hour laws. Customer is solely responsible for ensuring that its use of any Optional Services, and any associated fees or deductions, complies with such laws, including prohibitions on charging workers for employer business expenses, recruitment-related fees, or required tools, equipment, or supplies.
 - iv. Any compensation received by Croft from third-party providers of Optional Services is paid by such providers based on their commercial arrangements with Croft and is not intended to be passed on to Workers or H-2A Workers as a condition of employment. Croft does not design, operate, or control Optional Services, makes no representation or warranty regarding Optional Services, and shall have no liability arising from or relating to such Optional Services. Participation in Optional Services is voluntary and governed exclusively by the terms between the User and the third-party provider.
