EDUCATION

Western Governors University

Bachelor of Science, Computer Science

Salt Lake City, UT

2025

Utah Valley University

Bachelor of Science, Major in Finance; Minor in Economics

Orem, UT

2020

PROFESSIONAL EXPERIENCE

Technical Project Manager / Product Design / Cofounder

2021-Present

Beanstalk Social, LLC

Lehi, UT

- Spearheaded the full development lifecycle of a scalable mobile app, overseeing UI/UX design and backend development.
- Managed a cross-functional Agile team, conducting sprints to optimize project delivery and streamline workflows.
- Designed modern UI/UX prototypes with Figma, enhancing user experience and accessibility.
- Raised \$2M in investment funding for Beanstalk through strategic pitches to angel investors.

PROJECTS

Beanstalk Social - Mobile App | *Adobe Creative Cloud, Figma*

- Led the end-to-end UI/UX design process, from wireframing and prototyping to final high-fidelity designs.
- Designed intuitive navigation flows, ensuring a seamless user experience.
- Developed a comprehensive design system, standardizing typography, color palettes, and elements.
- Collaborated with developers to translate design into a responsive, accessible mobile interface.

Hotel Reservation Web App | *Java, Spring, Maven, Docker, Git*

- Developed a multi-threaded hotel reservation system with real-time currency conversion and time zone localization.
- Designed RESTful APIs to manage bookings.
- Containerized the application using Docker for seamless cloud deployment and scalability.

Vacation Booking E-Commerce App | *Java, Spring, Maven, MySQL, Git*

- Built a full-stack web application enabling users to book vacation packages with excursion selection.
- Designed and optimized a MySQL database for efficient data storage and retrieval.
