

RBL's focus is to establish seamless ESOP Management in their Company for an efficient and transparent equity distribution.

The ESOP Direct team helped RBL in establishing its ESOP Plan and making equity distribution easy, quick and accessible for their employees. With personalized dashboards for all, every stakeholder can now check their stakes in the company's ownership structure in clicks. The team did a great job with excellent service delivery within a reasonable time.

About RBL

RBL Bank is one of India's leading private-sector banks. It is headquartered in Mumbai and currently offers specialized services under five business verticals namely: Corporate Banking, Commercial Banking, Branch & Business Banking, Retail Assets, and Treasury & Financial Markets Operations. It currently services over 12.91 million customers through a network of 517 branches. It has also been rated as India's Best Bank in the mid-sized bank segment by a Business Today and KPMG study.

ESOP Management

INDUSTRY

Banking

ESOP Direct has had a long-lasting relationship with RBL, and these years of partnership have strengthened the trust and respect between both organizations. RBL engaged ESOP Direct services to initiate ESOP management for the company and make Equity distribution easy and efficient for the management of the company.

The company aims to make employees aware of the equity and ownership that comes with the company's growth and the possibilities it upholds for the benefit of all. ESOP Direct's team ensures that every stakeholder is at ease with their stock options and is aware of their stakes in the company.

The team has put its best foot forward with the client and RBL is extremely satisfied with service delivery with turnaround time, prompt reporting, handling of questions and the quality of the reports. The services during their employee exercise window have been very seamless.

“

“The ESOP Direct Team has made all equity matters a piece of cake for all of us in the organization. Their attention to detail, organized reporting, and ability to deliver within time have made them stand out among the rest. We at RBL would highly recommend ESOP Direct to companies looking to see up their ESOP frameworks.”
