

Power the Science.

Accelerate Lyobead and Lyophilization Workflows with friends and family loyalty pricing on Sphera™ systems.

Limited-Time Offer

- Sphera Discovery → 10% Off – For labs starting lyobead formation and assay development.
- Sphera → 15% Off – For scaling bead production and expanding capacity.

Built for Lyobead & Lyophilization End Users

Move from liquid dispensing to complete bead-formation capability, enabling scalable lyophilized assay production and faster commercialization.

Why It Matters?

- Expand system capability into bead formation.
- Support lyophilization-ready workflows.
- Increase throughput and consistency.
- Integrate with the BioDot ecosystem.
- Reward existing customers with loyalty pricing.

Exclusive Sphera Discounts For New BioDot Lyobead Customers. Unlock Your Loyalty Pricing on Sphera Platforms.
