<sup>4</sup>CFU: Colony Forming Units

LOD: Limit of Detection; LOQ: Limit of Quantification

This medicinal product was manufactured, tested and released in Portugal. The origin of the raw material Cannabis flowers is the Curaleaf Portugal GACP cultivation site in Portugal.

I hereby confirm that the batch has been manufactured and tested in accordance with EU GMP requirements.

The batch meets the requirements of the European Pharmacopoeia Ph.Eur.

**The batch is released for the market.**
