<sup>4</sup>CFU: Colony Forming Units

LOD: Limit of Detection; LOQ: Limit of Quantification

a) As per RAA005/2024, tested on Batch 2545LC.08.0

This medicinal product was manufactured, tested and released in Portugal. The origin of the raw material Cannabis flowers is the Curaleaf Portugal GACP cultivation site in Portugal.

I hereby confirm that the batch has been manufactured and tested in accordance with EU GMP requirements.

The batch meets the requirements of the European Pharmacopoeia Ph.Eur.

**The batch is released for the market.**
