

# Becoming a One Degree Mentor

## A special opportunity to make a difference

Are you ready to inspire, guide and create a lasting impact? Our partnership with One Degree, a non-profit organisation dedicated to empowering individuals from less advantaged backgrounds with the knowledge, tools and support they need to achieve their goals. Becoming a mentor gives you the chance to make a meaningful difference to others, whilst also growing as a leader.

### Why become a Mentor?

#### 1. Make a Tangible Impact:

Help mentees break barriers, gain confidence and build brighter futures. Your guidance could be the turning point in someone's life.

#### 2. Sharpen your leadership skills:

Gain invaluable experience in coaching, active listening and problem solving. All transferable skills that enhance your professional career.

#### 3. Give Back, Feel Fulfilled:

Contribute to society meaningfully while experiencing the personal satisfaction of seeing your mentee grow and succeed.

### Why Now?

**At Mizuho we value community impact and personal growth. Becoming a mentor through One Degree is the perfect opportunity to align with these values while making a difference.**

### What is involved?

One Degree welcomes anyone to be a mentor who can commit to at least three sessions per year and is patient, empathetic and supportive. No prior mentoring or teaching experience required!

#### What is the commitment

Preparation takes between two to three hours depending on the support you need. Registration takes 2 minutes, training takes around one and half hours and the DBS check takes 15 minutes.

The amount of time you commit can really be flexible to fit in with your personal circumstances. You can mentor online from anywhere and focus on subjects that you are confident in.

### Take the first step today!
