Employee Profile

Mr. Muhammad Saad Aslam
Vice President - Investment Banking

Professional Background:

Muhammad Saad Aslam is the Vice President of Investment Banking at Mizuho Saudi Arabia Company. He has over 7 years of experience advising on multi-sector infrastructure and strategic transactions across the Middle East and South Asia.

He has extensive experience in project finance, Public-Private Partnerships (PPPs), mergers and acquisitions (M&A), and infrastructure advisory. He actively supports the execution of strategic transactions across the EMEA region and has advised clients on a wide range of large-scale infrastructure and investment projects.

Saad has been based in the Kingdom of Saudi Arabia for the past five years. Prior to joining Mizuho Saudi Arabia, he held advisory positions with KPMG in Saudi Arabia and previously worked with EY and PwC in Pakistan, providing financial and strategic advisory services across various sectors.

Education

Bachelor of Science (BSc) in Accounting and Finance, Institute of Business Administration (IBA), Karachi, Pakistan.
