

January 5, 2026

To whom it may concern,

We are reaching out to you as a pillar of the Marion community with a heartfelt request. Marion County Agricultural Society is a nonprofit, committed to producing a successful fair which promotes and advances the interest of agriculture and community development. We are happy to provide the youth of our community with an event and venues to showcase their talents through 4-H, FFA, and other means. The fair board is committed to the operation of the fairgrounds facilities for both public and private events, in a responsible manner which generates economic stimulation and tourism development in Marion County.

We are seeking the support of local businesses to further our efforts. Your contribution can make a significant difference to the success and benefits the Fair provides to exhibitors and attendees.

As a business that is deeply embedded in our community, your donation will not only help us achieve our goals but also strengthen the bonds within our community. We are looking for contributions in the form of Instore credit, supplies and materials, sponsorship opportunities, and any unmentioned support you can provide would be immensely appreciated.

Thank you for considering our request. We are eager to discuss any questions you may have and explore how your support can be recognized within our organization and community.

Sincerely,

Marion County Agricultural Society
