

A blurred background image of a modern office space. The room is filled with natural light from large windows. There are several desks and chairs, some occupied by people working. The office has a modern, industrial feel with exposed pipes on the ceiling and a mix of different furniture styles. A red sign with the number "50" is visible on a wall in the background.

# **WELCOME TO AHA-FACTORY BERLIN**

## **A COWORKING SPACE FOR CREATIVITY & COMMUNITY.**

At AHA-FACTORY Berlin, we offer more than desks – we foster a focused, friendly community for creatives, founders, and digital professionals.

### **What makes us different?**

- 250 sqm light-filled loft with only 12 spacious desks (2x1 m)
- 24/7 access for members
- Premium ergonomic Italian chairs + iconic Eiermann tables
- Lockable storage, mailbox, company signage & business registration
- Organic coffee & tea included
- Fast WiFi, phone booths & fully equipped kitchen
- Conference room with projector & presentation setup
- Cleaning & contents insurance included – no hidden costs

Whether you're a designer, developer, consultant, writer, or creative thinker – you'll join an international and supportive community of professionals. If you value focus, aesthetics, and meaningful exchange, this might be your place.

**Let's create, collaborate & grow together.**
