

Dr. Robert Masci Joins the Rizk Ventures Team as a Special Healthcare Advisor

June 1, 2013

We would like to welcome Dr. Robert Masci to the Rizk Ventures team as a special healthcare advisor. Dr. Masci is a board certified cardiologist and managing partner of a large group practice. His managerial and clinical experiences span both the federal and private sectors, including twelve years as a military physician. Dr. Masci provides us with a clinical perspective on how our technology interfaces with today's dynamic health care environment.
