Box of Books - Parent Information

Order by Sunday, 7 December 2025

Your school has partnered with Box of Books (BoB) to make getting ready for the new school year simple. All your child's digital and physical textbooks and stationery items can be ordered in one place, so they're ready to go from day one.

This document provides a summary of all subjects that have a booklisted resource for purchase. All relevant subject-level information will be detailed in the booklist via the BoB Shop.

Please ensure that you review the booklist carefully, as it contains the most up-to-date and accurate details for your school's resource requirements.

How to Order

Head to <https://shop.boxofbooks.com.au> to place your order.

Ordering early helps make sure everything is ready for the first day of school.

Subject Notes

Please take a moment to read the subject-level notes on the booklist via the BoB Shop. These contain important guidance on whether resources are required, optional, or provided by the school. The notes also include any additional instructions from teachers or departments to assist with selecting the correct resources.

Physical Delivery

Your child's books will be delivered straight to your home, with each student's order packed in their own box. You can track orders anytime through your BoB Shop account. Delivery is \$9.95 plus a \$5.95 packing fee per student for orders with three or more physical items, while digital-only orders are always free.

Late Orders

We'll always do our best to supply your child's resources in full.

Please note that for orders placed after

Sunday, 7 December 2025, stock can't be guaranteed.

If something is delayed, your order may arrive in more than one delivery.

Prices as at Wednesday, 22 April 2026

The prices provided are correct at the date of publication but are subject to change. Any changes to prices will be updated in the Box of Books Shop as they occur.

BOOKLIST INFORMATION	Quantity	Digital (BoB)	Digital (BoB) & Physical	Physical & Miscellaneous
We encourage families to place their order at their earliest convenience.				
Digital Texts: The digital texts and digital component in print & digital will be made available for student use immediately after your purchase.				
Required Stationery: All stationery items included in your booklist order will be delivered with all other resources. Orders placed middle of January are estimated to be supplied to students after the commencement of the term.				
Late orders: While stationery ordered with textbooks will arrive after the term begins, families seeking to have materials ready for day one may choose to purchase stationery independently via your local Officeworks store or through the Officeworks Click & Collect service.				
Please be assured that the school and teaching staff will be supporting students during the first weeks of the 2026 academic year and will provide assistance where needed until printed textbooks arrive.				
Please click here for more information on accessing your digital resources.				
At the conclusion of this booklist is a list of recommended stationery items. To support your child's organisation and transition into Year 9, we highly recommend the zip binders in different colours. Staff supporting transition will guide students to colour-code their timetable to align with these binders.
