

Company Name	Genius Energy Lab Limited
Policy Name:	Environmental Policy
Date:	October 2023
Version:	1.3
Reviewer:	Richard Davis CEO

Genius Energy Lab Limited recognizes and understands the importance of protecting the environment in which we operate. We are fully committed to minimizing the impact that running our business has on the environment and we encourage our clients, suppliers and other stakeholders to do the same.

To this end we have committed to implementing the ISO14001 Environmental certification which we achieved in March 2022 along with ISO9001 quality certification.

Our ISO14001 work output has resulted in the development of the following documents:

- Environmental Aspects and Risk Register
- Environmental Assessment and Awareness
- Environmental Legal Register

Full details of these processes are available on request.
