**via Aristotele 24/5
20128 Milano**

negus.

video and photography studio in north of Milan.

280 square meters full service shooting space, able to turn from a photographic studio into an unconventional venue for casting, events and exhibitions.

while shooting, we can take care of the post-production – all in-house, all happening simultaneously. This means faster turnaround times and a smoother process, giving you an efficiency you won't find anywhere else.
