

Pastoral Support

At JEP Youth Engagement we understand that some students need a different kind of support to thrive in their educational journey. Our Alternative Provision for Pastoral Support offers a safe, nurturing, and structured environment where students are supported both emotionally and academically. We prioritise wellbeing, build trust, and equip young people with the skills and confidence needed to re-engage with learning and succeed in life.

What We Offer:

Our dedicated pastoral team is at the heart of everything we do. With a strong focus on emotional support, personal development, and consistent care, we work in partnership with families, mainstream schools, and external agencies to ensure each student receives the guidance they need.

Re-engagement and Attendance:

We recognise that poor attendance is often a symptom of deeper challenges. Our team builds strong relationships with students and families to understand and remove barriers, promote regular attendance, and foster a positive attitude toward education.

Behaviour and Emotional Regulation:

Our behaviour support is centred on understanding, consistency, and positive relationships. Through clear routines, restorative conversations, and targeted mentoring, we help students develop self-regulation skills and build confidence in their ability to make positive choices.

Restorative and Reflective Practice:

After incidents, students are supported to reflect on their actions and rebuild trust. Our structured return-to-learn meetings ensure clear expectations are set and relationships are restored, creating a pathway for personal growth and re-engagement.

Family Support and Early Help:

We work closely with families to provide a wraparound approach. From Early Help referrals to signposting external services, we ensure families feel supported and included as part of the student's journey.

Peer Relationships and Social Skills:

Students are guided in developing healthy peer relationships through structured group activities, mentoring, and social-emotional learning. We create a respectful environment where every individual is supported to feel safe, connected, and included.

Celebrating Progress:

Recognising success is a key part of our provision. Whether it's improved attendance, personal development, or academic progress, we celebrate all achievements—big or small. Regular rewards, celebration events, and personalised feedback help boost confidence and motivation.

A Nurturing Environment with High Expectations:

Our pastoral team builds strong, trusting relationships with students and families. Every child is treated as an individual, with tailored support that meets their specific needs. We work closely with schools, parents/carers, and external agencies to provide wraparound care that supports personal development and long-term progress.
