

Pastoral Support: Primary

Pastoral support in JEP Primary plays a vital role in promoting the overall well-being, personal development, and emotional resilience of the young people in our care. It involves creating a safe, nurturing environment where pupils feel valued, respected, and supported both academically and emotionally.

Our Pastoral Lead work closely with families and external agencies to identify and respond to our young peoples' individual needs. This support can include mentoring, behaviour support strategies, and social skills development, all aimed at helping young people thrive at JEP Primary, in school and beyond.

By prioritising pastoral care, JEP Primary help lay the foundation for confident, happy, and well-adjusted learners.

The JEP Primary Pastoral Team:

Jack McQuade
Head of Centre & DSL (Primary)

Chris Nelson
Primary Pastoral Lead & Learning Support Mentor
