

DIGITAL TRANSFORMATION PARTNER

Build a business that
runs on clarity, not
digital chaos.

Partnership plans built on our three-step Framework - so
you win back your time, improve your efficiency, and
save money along the way.

Your Digital Transformation Partner

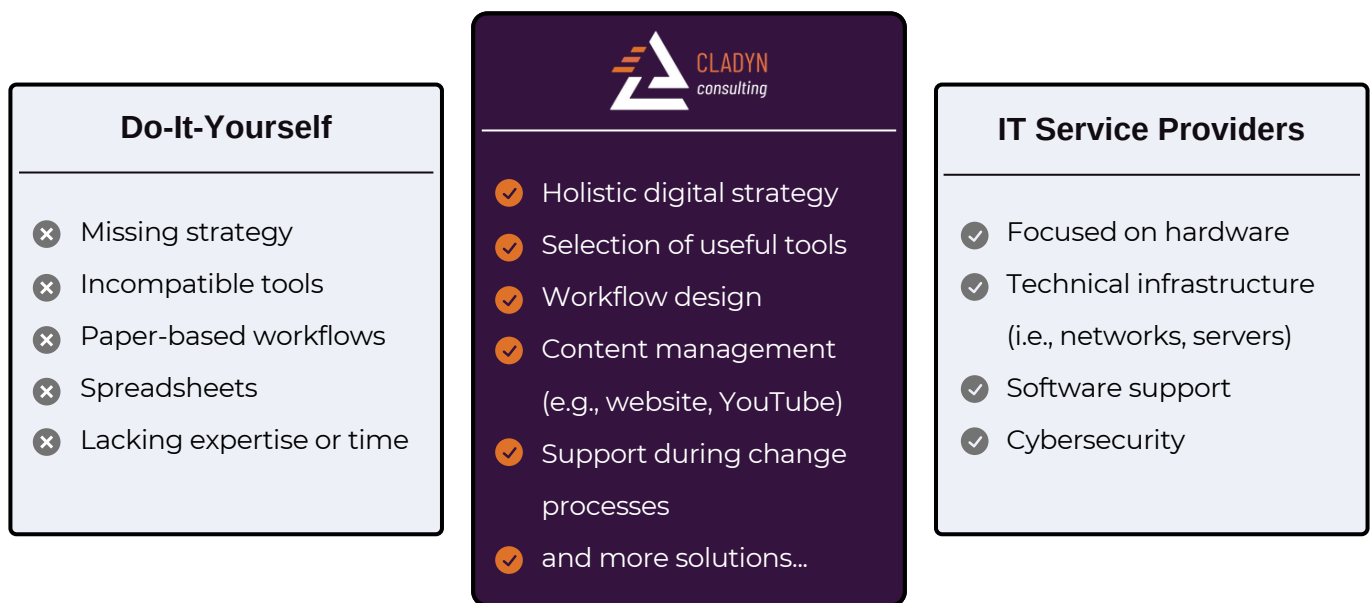

Reclaim your time. Improve your efficiency. Boost your revenue.

Go beyond traditional IT support and build a smarter digital business.

Cladyn Consulting bridges the gap between DIY solutions and traditional IT providers. We deliver a holistic digital strategy tailored to your business needs, combining the right tools, efficient workflows, and practical expertise.

We help you turn disconnected processes into a streamlined digital ecosystem.

Cladyn Consulting — the strategic partner for digital transformation.

Ready for your next step?

Check out our three-step framework and specialized packages below.

THE THREE-STEP FRAMEWORK

Clarify. Organize. Optimize.

Successful digital transformation requires more than new hardware and software. To thrive in the rapidly evolving AI economy, your business needs a holistic approach that connects technology, people, processes, and strategy.

At Cladyn Consulting, we guide your business through a three-stage framework to achieve successful digital transformation.

THREE WAYS - ONE FRAMEWORK

Choose Your Plan

	Most Popular	
Foundation	Growth	Scale
US\$ 700/mo. US\$ 600/mo.	US\$ 1,400/mo. US\$ 1,200/mo.	US\$ 2,800/mo. US\$ 2,400/mo.
The focused first step - identify where inefficiencies slow down your business ✓ Digital readiness checks ✓ 90-day action plan ✓ Best Practices - Password management ✓ Best Practices - File organization ✓ Best Practices - Workflow design & SOPs ✓ 3 Zoom calls	The proven core program - where lasting transformation happens Everything in “Foundation”, plus: ✓ Comprehensive digital strategy with roadmap ✓ Branding consistency checks ✓ Advanced software setup (includes optional website) ✓ Biweekly 1:1 strategy sessions	The intensive program - where we take your business to the next level Everything in “Growth”, plus: ✓ Workflow optimization with custom examples ✓ Unlimited access to our AI toolkit ✓ Optional website with online shop ✓ Biweekly 1:1 strategy sessions

All plans: one flat monthly fee, billed automatically. 4-month minimum term, then month to month. Need more later? Upgrade anytime. Your new plan starts on your next billing date. You can step back down or pause after your minimum. Own everything from day one. Domains, hosting and software are paid directly by you, in your own accounts.

Ready for your next step?

Let's talk through which package fits your business.
