

SYRIA

In December 2024, the Assad regime collapsed after a 13-year civil war. The same family had ruled for 53 years and was known for its repression, brutality and torture.

Many churches have been destroyed and entire Christian communities have been forced to flee or have been depopulated.

Syrians can trace their biblical heritage back to Aram, a descendent of Shem (Noah's son).

Many Bible stories took place in Syria:

- Paul's conversion in Damascus (Acts 9)
- Naaman's healing (2 Kings 5:1-19)
- Syrian Christians at Tyre (Acts 21:3-7)

- For protection for this ancient Church and basic provisions each day. Ask him to be their “place of safety” (2 Samuel 22:3).
- For church pastors as they minister to believers in difficult circumstances.
- That a democratic leader would be raised up who will be benevolent to minorities and not institute Sharia law.

Dear Lord, we ask that your hand would be upon all Christians in Syria. Please comfort them with your presence and sustain them with your peace. Amen.
