

Misunderstood Messiah: The Gospel of John

Misunderstood Light

JOHN 8:12-30

CORE TRUTH

Jesus is the light of the world, God in the flesh, who came to lead you out of sin and darkness and into new life in him.

Week of May 3, 2026

WELCOME to remind us why we're here.

⌚ Spend about 5 minutes here.

Mission – To become more like Jesus – together.

Vision – We work out our salvation side-by-side—with honesty, humility, and hope. We walk with one another, not just to talk about Jesus, but to be transformed by him. (Philippians 2:12-13)

Guidelines – Our Group Guidelines help us live out our mission and vision with kindness and humility. We encourage you to read and discuss the guidelines together regularly—they can be found on the last page.

HEAD to help us examine what the word shows and let in what's true.

⌚ Spend about 10 minutes here.

- Where is Jesus misunderstood in this text?
- "Knowing me is knowing the Father." What do you think Jesus means by this?
- Jesus says unless you believe that I am he, you will die in your sins. What does this mean about who Jesus is?
- Jesus says "When you have lifted up the Son of Man, then you will know that I am he..." What does the cross have to do with Jesus' person and mission?

HEART to help us wrestle with what we believe and be with each other in it.

⌚ Spend about 30 minutes here.

- The Pharisees want more than Jesus' word that he is who he says he is. How does it make you feel to hear Jesus say that his word is actually enough?
- If you miss Jesus, you miss God in your lives. Where do you think you are missing Jesus in your life?

HANDS to help us live out the truth with the Spirit as we go out into the world.

⌚ Spend about 10 minutes here.

- Right now, today, where is there darkness in your life? Where do you need the light of the world to break in?
- People hear and see Jesus' joyful dependence on the Father and believe in Him. Where are you called to depend and believe this week?

NEXT WEEK'S PASSAGE

This is the last week of Groups!

GROUPS

DISCIPLESHIP GROUP GUIDELINES

- **Safe Group:** We strive for an environment where everyone can be open, and honest about his or her struggles and victories.
- **Confidentiality:** What is said in the group stays in the group.
- **Listen:** We want to value one another by really listening to what is being shared. Try to avoid thinking about how you are going to respond while someone is sharing.
- **Pause:** Allowing a pause in the conversation after one person shares and before the next person shares gives the person sharing a chance to finish. A pause also gives the group an opportunity to consider before responding.
- **Silence:** It is important to allow silence in the group as it provides an opportunity for people to think deeply, to gather their thoughts in order to share, and to genuinely consider what others have shared.
- **One Conversation at a Time:** Be considerate of others as they are sharing. No side conversations.
- **No Fixing:** We are not here to fix each other; Jesus does that part. Give encouragement and ask questions, but try not to solve or fix one another.
- **No Rescuing:** When people are sharing something deeply personal, please resist the tendency to try to make them feel better about themselves or their situation by providing immediate condolences. This will often cause people to stop sharing.
- **Be Curious:** By asking the next question, we communicate genuine interest. We keep the conversation moving forward while building relationships and intimacy.
- **Be Self-Aware:** Be mindful of how you are personally affecting the small group environment through your words, actions, and non-verbal communication. Be sensitive about the amount of time you share, whether too much (dominating) or not enough (hiding).
- **Use "I" Statements:** It is very easy to talk about other people's issues, but, for our purposes, we want to put ourselves on the table. Use "I" statements rather than "them", "the church", "people", "you", "us", "we", etc.
- **Resolve Conflict Biblically:** As a group we commit to extend grace to one another. Conflict is not bad, it's an opportunity for growth. We are all being transformed to be more like Jesus. Conflict and change are a part of that journey. (Matthew 18)
- **Manage Technology:** Let's respect one another by silencing alerts on our devices.
