

Misunderstood Messiah: The Gospel of John

Misunderstood Judgment

JOHN 8:2-11

CORE TRUTH

Jesus confronts our judgment, offers us grace, and invites us into new life.

Week of May 3, 2026

WELCOME to remind us why we're here.

⌚ Spend about 5 minutes here.

Mission – To become more like Jesus – together.

Vision – We work out our salvation side-by-side—with honesty, humility, and hope. We walk with one another, not just to talk about Jesus, but to be transformed by him. (Philippians 2:12-13)

Guidelines – Our Group Guidelines help us live out our mission and vision with kindness and humility. We encourage you to read and discuss the guidelines together regularly—they can be found on the last page.

HEAD to help us examine what the word shows and let in what's true.

⌚ Spend about 10 minutes here.

- What stands out to you as you read this interaction?
- Imagine being the woman in this moment—what part of Jesus' response might have impacted you most?

HEART to help us wrestle with what we believe and be with each other in it.

⌚ Spend about 30 minutes here.

- Jesus exposes how quick we can be to focus on the sin of others while overlooking our own. Where do you notice a tendency in yourself to judge others more harshly than you judge yourself?
- Jesus meets this woman in her guilt and shame with mercy instead of condemnation. Where do you most need to receive his grace instead of hiding in shame?
- Where might Jesus be inviting you into repentance and new life right now?

HANDS to help us live out the truth with the Spirit as we go out into the world.

⌚ Spend about 10 minutes here.

- **Meditate on the following reflection now and throughout the week:** Jesus, where are you inviting me to leave behind judgment or sin and walk in new life this week?
- **Use the following prayer based on Psalm 51 to close your time together:**
 - Have mercy on us, O God, according to your steadfast love.
 - Wash us thoroughly from our iniquity and cleanse us from our sin
 - Create in us a clean heart, O God, and renew a right spirit within us. Amen.

NEXT WEEK'S PASSAGE

This is the last week of Groups!

GROUPS

DISCIPLESHIP GROUP GUIDELINES

- **Safe Group:** We strive for an environment where everyone can be open, and honest about his or her struggles and victories.
- **Confidentiality:** What is said in the group stays in the group.
- **Listen:** We want to value one another by really listening to what is being shared. Try to avoid thinking about how you are going to respond while someone is sharing.
- **Pause:** Allowing a pause in the conversation after one person shares and before the next person shares gives the person sharing a chance to finish. A pause also gives the group an opportunity to consider before responding.
- **Silence:** It is important to allow silence in the group as it provides an opportunity for people to think deeply, to gather their thoughts in order to share, and to genuinely consider what others have shared.
- **One Conversation at a Time:** Be considerate of others as they are sharing. No side conversations.
- **No Fixing:** We are not here to fix each other; Jesus does that part. Give encouragement and ask questions, but try not to solve or fix one another.
- **No Rescuing:** When people are sharing something deeply personal, please resist the tendency to try to make them feel better about themselves or their situation by providing immediate condolences. This will often cause people to stop sharing.
- **Be Curious:** By asking the next question, we communicate genuine interest. We keep the conversation moving forward while building relationships and intimacy.
- **Be Self-Aware:** Be mindful of how you are personally affecting the small group environment through your words, actions, and non-verbal communication. Be sensitive about the amount of time you share, whether too much (dominating) or not enough (hiding).
- **Use "I" Statements:** It is very easy to talk about other people's issues, but, for our purposes, we want to put ourselves on the table. Use "I" statements rather than "them", "the church", "people", "you", "us", "we", etc.
- **Resolve Conflict Biblically:** As a group we commit to extend grace to one another. Conflict is not bad, it's an opportunity for growth. We are all being transformed to be more like Jesus. Conflict and change are a part of that journey. (Matthew 18)
- **Manage Technology:** Let's respect one another by silencing alerts on our devices.
