1977 GOVERNMENT AIRCRAFT FACTORIES NOMAD N22B

Introducing this 1977 Government Aircraft Factories N22B Nomad equipped with Wipline 9500 Amphibious Floats, making it a highly capable and versatile utility aircraft. Renowned for its rugged construction, excellent short-field performance, and impressive payload, the Nomad excels in both land and water operations. The Wipline 9500 amphibians provide reliable amphibious capability with proven performance, ideal for remote access, charter, utility, or adventure flying. This is a rare opportunity to acquire a true workhorse aircraft with exceptional flexibility and mission capability. Owner is selling the airplane to move into a Cessna Caravan.
