1973 PIPER PA-28R-200

This 1973 Piper PA-28R-200 Arrow is a well-equipped and proven cross-country performer, featuring 7,050 hours total time and 1,731 hours since major overhaul. The panel is a standout with a full Garmin upgrade, including three GI 275s, a dedicated GI 275 EIS, and a Garmin GFC 500 autopilot, delivering modern capability and confidence in IFR conditions. With a fresh March annual, this Arrow is turn-key and ready to fly. The current owner is stepping up to a Cirrus, making this a great opportunity for the next pilot to enjoy a reliable, upgraded aircraft that's ready for its next mission.
