

HAZARDOUS & TOXIC WASTES

NO batteries

NO appliances or electronics/eWaste

DO NOT include hazardous or toxic wastes in any of the bins!

NO fluorescent tubes or CFL light bulbs

NO computers, monitors or TVs

NO chemical cleaners, paints, solvents or other toxic chemicals

Proper Disposal of Hazardous & Toxic Wastes

It is illegal to dispose of hazardous materials in your garbage, recycling, or compost containers. Containers found to have these materials will not be collected until such materials are removed.

Alameda County offers special programs for businesses generating small quantities of hazardous and/or universal waste.

Visit [StopWaste.org/business-hazardous-waste](https://stopwaste.org/business-hazardous-waste) or call 800-606-6606 for more information.

Go Beyond the Bin

Check out StopWaste.Org for up-to-date information and resources on these topics:

- Reuse & recycling – especially helpful for difficult to recycle items
- Purchasing environmentally preferable products
- Resource-efficient landscaping
- Green/environmentally responsible building practices
- Reusable transport packaging (UseReusables.com)

Visit [StopWaste.Org](https://stopwaste.org) or call the Alameda County Recycling Hotline at 877-STOPWASTE (877-786-7927).

Special acknowledgment to StopWaste.Org, the City of Oakland, Castro Valley Sanitary District, and Contra Costa Sanitary District for the use of their recycling images. This project is funded by the City of Dublin.

Why Recycle & Compost At Work?

- ✓ It's the law in California.
- ✓ It can save you money.
- ✓ It's saves energy and reduces greenhouse gas emissions!
- ✓ It's easy, hundreds of Dublin businesses already participate.
