

## Rainy Days Ahead! Keep Your Bins & Carts in Good Shape

As the rainy season arrives, please take a few simple steps to keep your bins or carts in good condition and collection service running smoothly:

- ✓ **Keep lids closed** at all times to prevent rainwater from collecting inside your bins or carts.
- ✓ **Avoid overfilling** to ensure the lid can close completely.
- ✓ **Check your bins and lids regularly**, if you notice cracks or damage, call our customer service team at (925) 479-9545 to request a replacement.

## Visit Our New Website

We're excited to share our newly redesigned website, created to make it faster and simpler for you to find the information you need.

Whether you're learning what goes where or requesting a service, our new site offers a clear, user-friendly experience on any device.

## Don't Toss Batteries Recycle Them Safely

Amador Valley Industries provides a free on-call battery recycling program for multi-family properties.

### How to Recycle Household Batteries

- ✓ Place all accepted batteries (alkaline AAA, AA, C, D, 9V, lithium coin batteries, and rechargeable NiMH batteries) inside your designated battery receptacle.
- ✓ If you cannot find the receptacle on-site, please contact your property manager for assistance.

### Why It Matters

When batteries end up in the garbage, recycling, or compost, they can ignite when crushed, causing truck fires and putting drivers and neighborhoods at risk. They can also leak toxic metals that can harm our soil and water.

A few seconds of care makes a big difference—thank you for recycling batteries the right way!

## Waste-Free Dining in Dublin

The City of Dublin and Amador Valley Industries have teamed up to make it easier to enjoy meals without the waste!

Together, we've created a list of local restaurants that provide reusable dishware for dine-in customers.

If you'd like to support businesses that are helping reduce single-use waste, check out the Waste-Free Dining Guide at:

[www.dublin.ca.gov/2852/Waste-Free-Dining-Guide](http://www.dublin.ca.gov/2852/Waste-Free-Dining-Guide)

## Bring Your Own Container It's Easy with AB 619!

In the City of Dublin, AB 619 allows customers to bring their own containers to restaurants for leftovers from dining-in as well as ordering takeout.

Just let the restaurant know you'd like to use your own container instead of disposable packaging. Together, we can make waste-free dining the new norm in Dublin!

## Used Motor Oil & Filter Recycling

For details and to request a free oil recycling jug and filter bag, call our customer service team at **(925) 479-9545**.

Please check with your property manager first to confirm oil changes are allowed on site.

## Why It Matters

Used motor oil and filters contain toxic metals and chemicals that can harm local waterways and wildlife. Recycling them properly helps protect our environment and keeps our community healthy.
